## ECONOMY BLADE & TEARDROP POLE

- Our Economy Blade & Teardrop Pole is made of fiberglass and is our best value
- It provides you the ability to use any size blade flag or teardrop flag since sections of the pole can be removed to accommodate any size flag you would like to display
- We recommend taking your flag and pole inside during high winds or extreme temperature changes to extend the life of your flag and pole
- This pole is great for short term or temporary use
- Each pole comes with a storage case
- A rounded base is included to provide stability for the pole
- A fiberglass ground spike is included with the pole

## OUTDOOR BLADE FLAG HARDWARE

- Rotating pole sets are made of a graphite composite for maximum flexibility and durability
- Each pole set comes with a bungee cord and black nylon carrying case
- An exterior pocket is included to store your rotating spike
- These poles require purchasing either a Ground Spike (TELGS) or the Crossbase with Waterbag (CRW1)

Ground spikes are available in a glossy black finish. All flags will rotate with a light breeze due to the ball bearing pole mounts.
