## Flagpole Specifications:

Flagpole made of seamless extruded aluminum tubing with a CONICAL TAPER. Butt and top diameters as described above.

Finish is "LUSTRATEX" Fine Satin Machine Finish. (Special Finishes Available at Extra Cost.)

Pole is packed in Heavy Fiber "Duro" Tube for protection during transit.

## Fittings Included with Flagpole:

Gold anodized aluminum ball, single sheave stationary aluminum truck, one 9" cast aluminum cleat with screws, one set of 1/4" diameter polypropylene rope halyard with nylon flag snaps, spun aluminum flash collar and ground setting tube.
